

Prosperity: To Serve and Be Served

February 2019

Dear Friend,

THE POWER OF PRAYER

In Unity we are called to serve, taking our talents, gifts and abilities to help and uplift all those around us. But it is also important to allow ourselves to be served as well.

This is the second part of 'Love your neighbour as yourself.' (Leviticus 19:18 & Matthew 19:19) We can easily get caught up in the serving of others, the 'love your neighbour' part and miss the 'love yourself' part.

To serve and be served are aspects of prosperity for in Unity we teach that giving and receiving are the same. When we give with loving kindness, we will receive acts of loving kindness. Our role is simply to open our minds and heart to receive; joyfully and gratefully... [Read on](#)

DAILY WORD

Saturday 23rd February, 2019

I choose to create and experience abundant life.

There is an adage that says, "You are as old as you think you are." With my thoughts, I choose to maintain a youthful attitude and heart. My spirit is not defined by years or age. Divine life is limitless. It knows no lack of energy, inspiration, or health. Spirit, as me, is an expression of abundant life.

I release any sense of limitations. My mind aligns with infinite potential to express love, joy, kindness, and service. With discernment, I choose activities that bring passion and purpose to my life. I may spend time in nature, join a team or club, or take a class for fun. If I am called to be of service to others, I explore opportunities with an open heart. I choose to create and experience abundant life.

"My child ... let your heart keep my commandments; for length of days and years of life and abundant welfare they will give you." -Proverbs 3:1-2
