

Let there be peace on earth

Let there be peace on earth
And let it begin with me
Let there be peace on earth
The peace that was meant to be
With God as Creator
Family all are we
Let us walk with each other
In perfect harmony
Let peace begin with me
Let this be the moment now
With every step I take
Let this be my joyful vow
To take each moment and live each moment
In peace, eternally
Let there be peace on earth
And let it begin with me
