

# JOYFUL JULY

## Message from Beverley

### "Let Go, Let God..."

Hello everyone,

Before I tell you about the news coming from Unity Headquarters, I want to share with you, my dislike for the term, "Let go and let God."

This is hard for a person like me to do, but there was a situation this week that I knew I really had to let go of and trust that the

Universe/Creator/Father-Mother God had it sorted. I couldn't do it by myself however, so I

turned to Katie Byron's **The Work**. The Work is based on FOUR QUESTIONS, ending with a

process called a "Turnaround". The four questions are: 1. Is it true? 2. Can you absolutely know that it's true? 3. How do you react when you believe that thought? 4. Who would you be without the thought?

The last question is probably one of the most important questions, if you want to know more about Byron Katie, and this work, here is a link:
