Life is Balance

October 2021

Dear Friend,

In every moment, we automatically seek balance.

This is true for the baby as it learns to crawl and walk – the child learning to ride a bike – in our latter years perhaps using a stick. Indeed all structures, including ships on the water, need balance to stay upright and secure. Life seeks and requires balance.

At another level, the natural cycle of birth and death is an expression of balance – life makes way for the new. We see this when the leaves fall off the tree each autumn, providing food for the soil to support the tree as it grows in the spring – life progresses and evolves through this natural process.

Kingdom of Heaven; Kingdom of God

An online workshop, led by Rev Maggy Whitehouse

Saturday 16th October, 10am - 4.30pm

Book your place with a donation

We are delighted to welcome back Maggy as the leader of our online workshop this month.

We read these phrases - the kingdom of heaven and the kingdom of God - in the New Testament again and again. But what do they truly mean? Are they used interchangeably? What should we do with them? Are we nearly there yet?!

Maggy will take us back in time to access the understanding of those who wrote down these words of Jesus of Nazareth. They knew the magic and mystery revealed in them and how to use each one as a springboard for understanding humanity, the universe and our relationship with the Divine.

For the powerful mystical meanings within these two phrases take us beyond religion, to a place of wisdom and understanding; resources much needed in our modern, chaotic world.

Maggy will use ancient Judaeo-Christian mystical teachings stories, meditations and laughter to take us into the perennial truth of the Kingdom of Heaven and the soul of wisdom that is the Kingdom of God. This will be a day of revelation, of joy and re-membrance.

Book your place by making a donation below and including a comment to request your place.

Daily Word - Saturday 23rd October, 2021

"I am free to express the Christ within me."

[Listen to a recording of Daily Word for Friday 1st October](#)

As a spiritual being, I am blessed with all the richness that comes from living a God-centred life. Inner riches include divine love, wisdom, compassion and joy. All I could ever need to be a perfect manifestation of God is within me.

No matter the situation or circumstance, I am free to respond in positive ways. I am free to meet discord with peace and uncertainty with faith. I practice gratitude and make time to uplift others with kind words and acts. There is no limit to the blessings I am free to share. In this way, I fully experience the love and grace of God within me always.

I stay centred in Spirit, living from my Christ nature, I rise above all earthly concerns and know the sweetest freedom.

"Now the Lord is the Spirit and where the Spirit of the Lord is, there is freedom."

- 2 Corinthians 3:17
