

Unity's World Day of Prayer

September 2019

Dear Friend,

Unity Video Newsletter - September 2019

Every year I say the same thing - September comes round so quickly! And here we are again, getting ready to hold Unity's World Day of Prayer vigil at our UK headquarters.

It truly is the best day of the year. The whole building is flooded with a quiet yet powerful presence that connects us with everyone who is part of this world wide event.

For twelve hours we hold the high watch of prayer. What does this mean? It means shifting our consciousness away from thoughts of problems or concerns, instead focusing on God and all that God is for us. You may have heard this called The Golden Key, as described by New Thought Minister, Emmet Fox. [Read on](#)

Silent Unity World Day of Prayer

**World Day of Prayer
'Infinite Presence: Unlimited Potential'**

Thursday 12th September, 2019

THE POWER OF PRAYER

You are invited to take part with us in our Unity World Day of Prayer. Tens of thousands of people around the world will be coming together in heart and mind, creating a continuous 24-hour prayer vigil. The theme this year is:

Infinite Presence: Unlimited Potential

Those of us who work and serve in Silent Unity UK will be coming together to hold the high watch of prayer from 9 am-9 pm, affirming:

"I celebrate the vast possibilities for my life and the world"

This we will prayerfully affirm for everyone and for every situation that is held dear, including all the names and events that have been shared with us.

You are invited to [go online](#) and complete the form which shares the names of those you would like Silent Unity to hold in confidential prayer with you. We will be with you in prayer throughout the day and for the coming thirty days. If you will be holding your own quiet time, you are invited to share the times you will be connecting with us in prayer. Plus, if you add your location, we will add you to our UK map creating a star-burst of light around the UK.

We will host the day online using [Zoom](#) to enable you to connect with us in person from wherever you are in the world. We will begin at 9 am with our Daily Word meditation, hold our mid-day Silent Unity prayer service and conclude with a candlelight prayer vigil and closing meditation.

What is World Day of Prayer?

Held annually on the second Thursday in September, World Day of Prayer unites Unity and draws in New Thought partner communities for a 24-hour period of prayer practice. In prayer, we dissolve our personal borders as we realise God within us, around us - an active source of life, love, and wisdom.

We are delighted to welcome one of Unity UK's much loved teachers, Isabel Compton, to our Sunday gathering this month. Isabel is very much focused on the gentle practice of stilling our minds and hearts, going within and accessing the peace, love, life and light that is God expressing in and as us.

This Sunday we will use music, prayer and meditation practices to do just that and you are warmly invited to join us, in person or online using Zoom. We will meet from 2.15 pm to share in some light refreshments before the service begins at 3 pm.

We look forward to sharing the afternoon with you. See you there!

New Unity Booklet

One Humanity: Many Stories

Just £2.95, including P&P (UK only)

As we prepare to come together for Unity's World Day of Prayer, our new booklet helps to connect us with each other in a way that can only bless us.

We all have stories to tell. Each of us has known hardship and heartbreak, just as each of us has known joy. Some people have conquered unimaginable adversity while others seem to have been blessed with everything they want.

Whatever our story, there is a greater truth that over-arches all: We are all one. Despite the appearance of separate bodies, individual personalities and different pursuits, we are one humanity.

In this booklet the writers offer their thoughts about how to live in the real world while affirming and developing our divine identity.

Also included are prayers from Silent Unity that will complement our World Day of Prayer this month. As we connect together, let us reflect on our own particular experiences and see them within the context of our common humanity - our oneness.

Daily Word Service - 9th August
Inner Peace

DAILY WORD

Thursday, 12th September 2019

I celebrate the vast possibilities for my life.

Breathing into prayer, I am in awe of the unbound spirit, the infinite presence within and around me. God is vitality in my breath, beauty in the natural world, strength in my determination and compassion in my acts of service. I recognise God in the spaciousness of the universe as well as in my limitless dreams.

Let me set my sight beyond where I have seen before, into the vast reality of divine power and presence. Let me draw upon this power and presence in order to fulfill my great potential.

In the harmony of prayer, my heart beats to the rhythm of God. The pulse of infinite life moves me, nourishes me and empowers me to give life to my dreams.

"And this is the boldness we have in him, that if we ask anything according to his will, he hears us." - 1 John 5:14

Daily Word is available in printed form, on tape or CD and digitally via email.

The Gospel of Common Sense

**

None are made spiritually valuable
by a crown, a robe, a title, a ring.
It takes an uncluttered grateful Soul
to make Heaven smile ... and Angels sing.

**

We are not made grander by
our money or our jewels.
Ask of every thing "What's it for?"
should be one of our basic rules.

**

Blessed be the tie that binds
the World Family to me.
A Forest can't be a Forest
if there is only one Tree.

**

Free Souls don't get up and wait
for what the Day might bring.
They shake it and shape it ...
and remember to sing!

**

I send you Love. I wish you well.
