

# UNITY BIRMINGHAM OCTOBER 2019 NEWSLETTER

Dear all,

“Thank you for being a part of the sacred Unity World Day of Prayer on September 12. It was a joy to join thousands around the world in exploring and celebrating the limitless potential and infinite presence of God within and around us.”

**From Rev Linda Martella Whitsett; Vice President, Unity Prayer and Practice - USA**

Sadly no message from Carran this month as she is on holiday, please remember her in your prayers, and wish her a safe journey.

First of all I would like to thank Martin for the September meeting; I could not be there because of some Sheffield responsibilities, however I was told by Carran that the meeting was excellent. She also told me that they went "off-piste" in the afternoon, but it was very enjoyable and gave everyone a great snap-shot of the depth and breadth of knowledge that Martin has accumulated over the years.

We are hoping that Martin would come again and focus on the New Testament, which many people thought would be of interest to them. .

Saturday October 19<sup>th</sup>, 2019 – Nancy Sandoval

11.00am to 3.00pm

Title of Talk: *Talking About God*

As travellers on the spiritual path, we will each have a different view of God. Nancy's aim is to create a safe space where we can discuss our views, and hopefully "let go" of any fixed idea of what God is, and "let God" express in a way that is meaningful to each of us individually.

Please encourage people to come to this, as you will be truly be amazed by this woman.
