Unity World Day of Prayer

September 2020

Dear Friend,

We are once more fast approaching Unity's annual World Day of Prayer, held this year on Thursday, 10th September.

What is this you may ask?

Very simply, it is a day when thousands of people all around the world commit to coming together in prayer with the worldwide prayer ministry that is Silent Unity, to hold our entire world in prayer; and you can be part of this. [Read on](#)

***NEW* Saturday Online Workshop**
"The Power of I AM"

Saturday 5th September, 10.30 am - 1.30 pm
Led by Kimerie and Paul Mapletoft

Fee: Donation

In the mystical Gospel of John, Jesus speaks his famous 'I AM' statements.

Traditionally, these statements have been thought to be Jesus Christ speaking about himself as the only Son of God. However, in Unity we understand it is the Christ energy speaking through Jesus and this same Christ energy is in us all, to be known and used for the good of all.

What a difference this idea makes! Take a moment to think about it. The same energy that was seen as the Christ in Jesus is your potential as well: For you, too, were made in the image and likeness of God.

During our half-day workshop, we will look more deeply at the I AM statements in John, discovering how we can use them to connect with the life, power and truth that is God at work through and as us.

After sharing our Unity ideas, we will open the morning to discussion, reflection, enquiry and meditation, bringing the ideas back to us to make them real in our own lives. The format will be slightly different than previous online workshops as this will be much more interactive and personal for you in your life, now.

Book your place with a [donation](#) adding a note to advise it is for the Saturday workshop in September. Or [email](#) us to book your place if funds are a challenge.

Alternatively call the office (01628 628915) to pay by card.

We will confirm your place and how to join via Zoom by email. We very much look forward to sharing the workshop with you.

Unity World Day of Prayer
Thursday 10th September, 2020
"Standing in Truth, I move from fear to faith."

Have you ever felt the power of united prayer? It is a deeply transforming experience.

Our World Day of Prayer, held annually on the second Thursday in September, enables hundreds of thousands of people around the world to come together in prayer and quiet reflection. Consciously, we create a 24-hour + worldwide prayer vigil, blessing us and our world. This year, very pertinently, our theme is:

"Standing in Truth, I move from fear to faith."

We invite you to join us by [sending us](#) your name, the names of those you would like us to hold in prayer with you and the times you will be joining us in prayer. This can be quietly at home, [with us on Zoom](#) or even with us in our Prayer Room.

As part of our commitment to you, we call out every name that has been shared with us in sacred faith and love, throughout our continuous prayer vigil, which in the UK is from 9 am to 9 pm.

If you feel called to join us in person at the office, please [email us](#). This year, we warmly welcome just one person into our prayer room at any given time.

We delight in sharing this day with you, as together we move from fear to faith. Prayer makes a difference.

WORLD DAY OF PRAYER

The Comfort of Prayer

£2.95 (UK only)

For 130 years, Unity has been devoted to prayer. This booklet is also devoted to prayer. For we know, through our practice and faith, that prayer works.

In Unity, we believe that we are never separate from God. There is no need to search for the Infinite, because it abides in us and we in it.

We practice something called affirmative prayer, meaning we declare the good that is already here. Rather than seek deliverance, we call upon our own divine nature - the God essence of every person - to invoke the attributes of God that were born in us, waiting to be developed.

Contained in this most recent Unity booklet, you will discover articles that cover subjects like, *What is Prayer; The Christ Spirit; Entering the Silence; What Prayer can do for You.*

There are also prayers of guidance, healing, forgiveness, comfort, abundance, gratitude and loving relationships.

Our prayer is that you find meaning in this booklet that is devoted to prayer, turning to it time and again as you pray.

It is the perfect accompaniment to Unity's World Day of Prayer, held this year on 10th September.

You can order your copy here - we are delighted to support you in prayer.

If you live outside the UK and would like a copy, please [email us](#) so we can advise the cost to cover airmail postage.

LSGBS:
(Let Something Good be Said.)

Unity minister and author, Eric Butterworth, tells us about the power of the spoken word. "Let something of the God Principle, something of the creative logos, be articulated." If things are ever going to change, they "have to start somewhere.... Let it begin with you."

We are delighted to announce Nancy Sandoval and Beth O'Connell as our leader and speaker this month. Both are accomplished Unity Teachers, with a deep background in Unity and our teachings. Eric Butterworth is one of their favourite Unity writers and we know the time together will be the perfect reminder of how we can live in the best way we can in this and every moment.

If you would like to find out more about Unity through an hour or prayer, meditation, listening to some Unity ideas and sharing music, you are warmly invited to join us.

We very much look forward to sharing the afternoon with you.

DAILY WORD

Wednesday 9th September 2020

I AM the expression of God in action.

I claim my divine identity and speak the truth of my being as I affirm: *I AM whole and strong, I AM wise, I AM free.*

If my human self thinks *I can't* or *I'm not able*, my divine nature responds with *I can!* I AM intelligent because the light of God fills my mind. I AM healthy because the life of God flows throughout my body. I AM loving and peaceful because the love of God is my very nature.

I use my I AM mindfully and with intention, careful not to attach it to words that negate my spiritual nature. I feel the presence and power of God expressing as me every time I speak the truth about myself. I affirm: *I AM* in all situations, positively responding from that centre of truth within me. In all things, God is and I AM.

"God said to Moses, "I AM who I AM ... This is my name forever and this my title for all generations." - Exodus 3:14,15
