God is the life and light within us, always

January 2021

Dear Friend,

There is no doubt that 2020 has been a year like no other. We have seen hardship and suffering, loss and death, and perhaps experienced it ourselves. Yet we have also seen communities coming together like never before – people stepping up to support those in need around them, which has warmed our hearts and touched our souls.

As the New Year dawns, it may feel as if this last one is the year to forget. However, there are times to celebrate, like seeing our loved ones again. Simple pleasures that have taken on greater meaning and importance to us.

Further, we have each, perhaps, found greater strength in ourselves; a deeper compassion; even a new focus. These qualities build up our own sense of self and support our communities. [Read on](#)

Daily Word - Wednesday 13th January

*"The presence of God within
is my source of comfort and strength."*

Daily Word is available in printed form, on tape or CD and digitally via email.

Remembering that God is within me, now and always, helps me cope in trying and difficult situations.

Life has its ups and downs, its triumphs and even tragedies. But I am able to weather any storm and be grateful in every experience when I rely on the presence of God within. I not only grow in understanding and faith, but I become more aware of my indwelling divinity that leads me on the path of peace.

"I will not leave you" are words that I have said to my loved ones when they needed support or encouragement. And I feel those words deep within me now as I seek peace and comfort from my awareness of God. Knowing I do not face any situation alone is a beautiful comfort to me, now and always.

"I will not leave you orphaned; I am coming to you." - John 14:18

"I will carry you" by Alise Ashby

This recording is shared here with blessings from Alise.

It speaks to love and loss, which so many are experiencing at this time.

Alise and her mother Annie are lifelong followers of Unity.
